PHARMACEUTICALS

WE SERVE FOR
HEALTHY LIFE

MEDCORP
P H A R M A C E U T I C A L S

INTRODUCTION

MEDCORP PHARMACEUTICALS came into existence in 2018 on the 2nd day of April, **MEDCORP PHARMACEUTICALS** has come a long way. During this span, **MEDCORP PHARMACEUTICALS** has successfully carved a niche amongst the giant of the pharmaceutical industries purely based on quality, reliability, marketing ethics & professionalism.

QUALITY CONTROL

Tightly monitored quality control systems & quality assurance ensure consistent quality of our products. All input materials are evaluated as per the established specification. A thorough certification & analysis of intermediaries & finished product is done. We are committed to ensure that every product we manufacture & distribute meets with & conforms over its shelf life to accepted standards of quality, purity, efficacy & safety.

VISION

To be the most reputed, largest pharmaceutical company in world. To develop customer satisfaction & provide cost effective medicines of the highest quality to a wide spectrum of patients.

MISSION

To grow by providing service at competitive price and timely delivery as per stated and implied needs of our customers through strict adherence to QMS & its continual improvement to their entire satisfaction.

*Target the
Pain & Inflammation*

**PAIN &
INFLAMMATION**

MEDCOP

Aceclofenac 100mg+Paracetamol 325mg **Tablets**

Aceclofenac

- Potent NSAID with analgesic and anti-inflammatory properties
- Stimulates cartilage matrix synthesis
- Improves spinal mobility in ankylosing spondylitis
- Exhibits better GI tolerability when compared to other selective COX-2 inhibitors

Paracetamol

- Effective analgesic agent
- Relieves mild to moderate body pain

Indications:

- ▣ **Rheumatoid diseases**
- ▣ **Fibrositis & Tendonitis**
- ▣ **Ankylosing Spondylitis**
- ▣ **Low Back Pain**
- ▣ **Post Surgical & Traumatic Injury**

Ensures Activeness

When you muscle spasm us a reason of
Pain & Inflammation

MEDCOMR

Diclofenac 100mg+Paracetamol +325mg+
Chlorzoxazone 250mg

Tablets

- **Combination with extra Factor** - Muscle Relaxant
- Combination provides enhanced analgesic anti-inflammatory & antipyretic action
- Multiple mode of action ensure better relief from the symptoms
- Possesses favorable gastric safety profile compared to other
- NSAIDs combination
- **Chlorzoxazone** - Centrally acting muscle relaxant that relieves muscle spasm Also acts rapidly on localized inflammation

Indication

- **Acute Muscle Spasm Muscular Cramp**
- **Low Back Pain**
- **Muscle spasm**
- **Traumatic Injury**

For the *Pain* Management

MEDCO-SP

Aceclofenac 100mg, Paracetamol 325mg &
Serratiopeptidase 15 mg

TABLETS

Aceclofenac

- ➔ Possessed high bioavailability of 100%
- ➔ Exhibits superior GI tolerability compared to diclofenac

Paracetamol

- ➔ A time fasted anti pyretic analgesic agent
- ➔ Valuable central analgesia

Serratiopeptidase

- ➔ Ensures rapid wound healing / oedema
- ➔ Resolves inflammatory oedema

Indications

Sports Injuries

Masculo Spondylitis

Spinal Spondylitis

Post Operative Spasm

FEEL FREE FROM GRASP OF **ALLERGIES**

MEDCO-LC

Montelukast 10mg + Levocetirizine 5mg

TABLETS

Levocetirizine: Reduces severity of symptoms such sneezing, rhinorrhea, itchy nose, and itchy eyes

Montelukast: Well tolerated & favourable safety profile

Benefit Of Combination: More effective than monotherapy in the treatment of persistent allergic rhinitis

ALLERGIC RHINITIS (PERENNIAL / SEASONAL)

CHRONIC IDIOPATHIC URTICARIA

EXTRINSIC ASTHMA

THE MOST AFFORDABLE ANTI-ALLERGIC & POWERFUL LEUKOTRIENE INHIBITOR COMBINATION

A vertical strip on the left side of the slide features a microscopic image of several green, rod-shaped bacteria with long, thin flagella, set against a dark blue background. The text 'Winning act against infections ...' is overlaid on this image.

MEDCEF 200

Cefixime 200 mg Tablets

- ▶ Broad spectrum antibiotic with activity against both gram positive & gram negative organisms.
- ▶ Highly stable in the presence of beta-lactamase.
- ▶ More active than co-trimoxazole against *Providencia stuartii*, *proteus vulgaris* & *Klebsiella* species.
- ▶ Prime choice for switch therapy owing to its very good efficacy & safety profile.
- ▶ Lower MIC than Other Cephalosporin

COMMUNITY ACQUIRED PNEUMONIA

TYPHOID FEVER

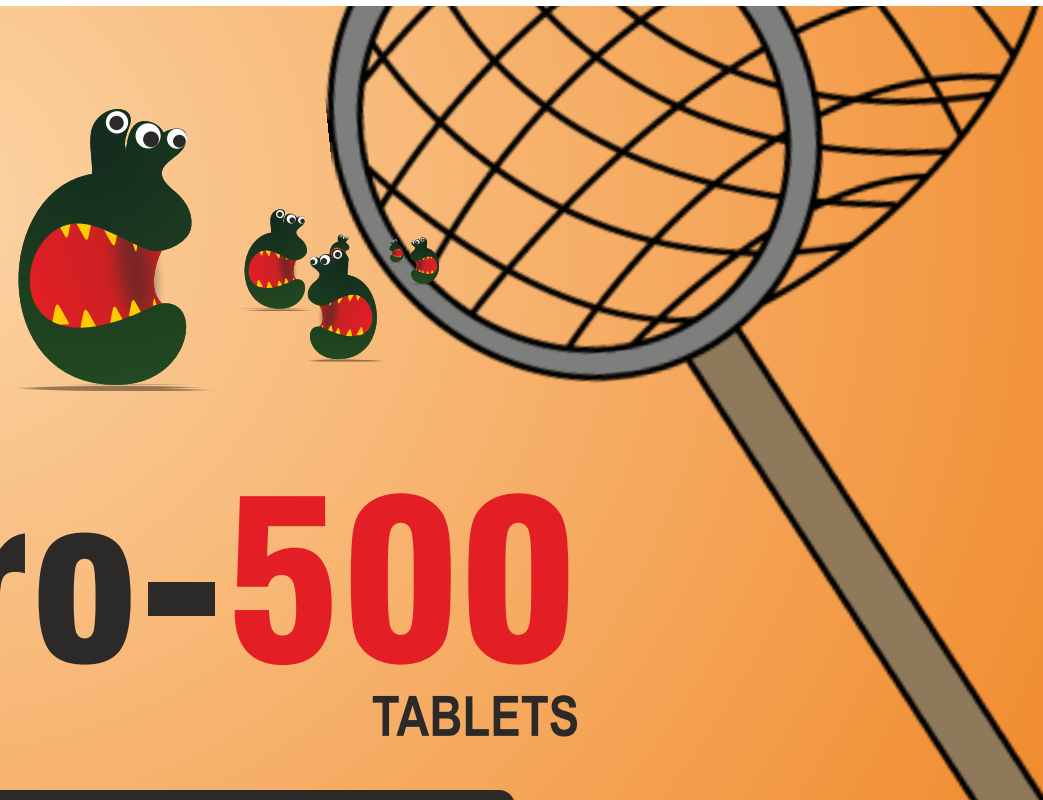

CHRONIC BRONCHITIS

URINARY TRACT INFECTIONS

ACUTE OTITIS MEDIA

Eliminates infection Purifies Health competely

Halt The Action
of Rude Bugs with...

Medzythro-500

Azithromycin 500mg **TABLETS**

- Increases mucociliary clearance & decreases sinusitis symptom & nasal secretions in patients with sinusitis
- Shows overall success rate of 98.92% for clinical outcome
- Advantage of shorter treatment regimens and improved tolerance
- Well tolerated in indian patients with bacterial turtles

ACUTE BACTERIAL SINUSITIS | COMMUNITY-ACQUIRED PNEUMONIA | URETHRITIS/ CERVICITIS
SKIN & STRUCTURE INFECTIONS | GENITAL ULCER DISEASE | ACUTE BACTERIAL EXACERBATIONS OF COPD

A **WINNING** Combination to Over come
Tough Infections

MEDCLAV 625

Amoxicillin 500mg & Potassium Clavulanic Acid 125mg

Tab.

- Expands antibacterial spectrum of Amoxycillin by Clavulanic Acid.
- Inhibits resistant factor of *B Lactamases* from *S. aureus* & *N. gonorrhea*, *E.coli*, *H influenzae* *Bacteroides species*
- Improves intestinal & vaginal ecosystem for secondary bacterial infections due to amoxicillin by *Lactobacilli*.
- Arrests episodes of diarrhea or vaginitis.
- Show recovery in 90% of AOM treated patient to
- 83.3% cure rate in patients suffering from acute sinusitis

Indication

Pharyngitis

Otitis Media

Bronchitis

Urethritis

Cystitis

Vaginitis

Dermatitis

Rapidly Clean *The Infuriating Fungal Infections With...*

Itramed-200

Itraconazole 100mg, 200mg

CAPSULES

- Potent & broad-spectrum activity against candida spp. & fluconazole-resistant strains
- Treats localized & systemic fungal infections, irrespective of patient's immune status
- Improves quality of life & disease severity in seborrheic dermatitis
- Superior efficacy than griseofulvin in dermatophytes onychomycosis due to ability to penetrate nail & sustain therapeutic levels

ORAL THRUSH | CANDIDIASIS | VAGINAL THRUSH

TINEA INFECTIONS | ONYCHOMYCOSIS

Cleanses Irritating Fungus

*Serious Infections
Need Serious Antibacterial.....*

CEFAMED CV 200

Cefpodoxime 200mg & Potassium Clavulanate 125mg Tablets

Cefpodoxime Proxetil

- An oral third generation cephalosporin with a broad spectrum of antibacterial activity.
- Stable in the presence of beta lactamase enzyme.

Potassium Clavulanate

- A fl-olactumase inhibitor
- Combined with various beta-lactam antibiotics to enhance their antibacterial activity.

Nosocomial infections | Urinary Tract Infections

Upper respiratory tract infections | Skin & soft tissue infection

In **Dyspepsia** Correct Motility **Fight Acidity**

Medtop-DSR

Pantoprazole(As Gastro-resistant) 40mg+ Domperidone(SR) 30mg CAPSULES

Medtop-40

Pantoprazole Sodium 40mg

TABLETS

PANTOPRAZOLE

- Reduces abdominal/belly pain. Heartburn, pain after rolling, burping belching, vomiting/ regurgitation, and difficulty swallowing
- Favorable side effect profile and low incidence of drug-drug interaction

DOMPERIDONE

- Accelerates gastric emptying with no extrapyramidal side effects
- Excellent safety profile for long-term administration

GERD | EROSIVE ESOPHAGITIS | NON ULCER DYSPEPSIA

NAUSEA ASSOCIATED WITH ACID PEPTIC DISORDERS

NSAIDS INDUCED GASTRITIS | CHRONIC GASTRITIS/FUNCTIONAL DYSPEPSIA

Power of Ginseng & Multivitamins

Medcobin Plus

Ginseng +multivitamins Antioxidants

Capsules

GINSENG

- Immune modulator; maintains immune homeostasis & enhance resistance to illness
- Enhance sexual function & effective treatment of erectile dysfunctions

Vitamins

- Maintains & improves health; lowers the risk of chronic diseases
- Improves performance, energy & immunity function
- Potent antioxidant; prevents oxidative damage of cells

HIGH OXIDATIVE STRESS / LOW IMMUNITY / GENERAL PHYSICAL FATIGUE

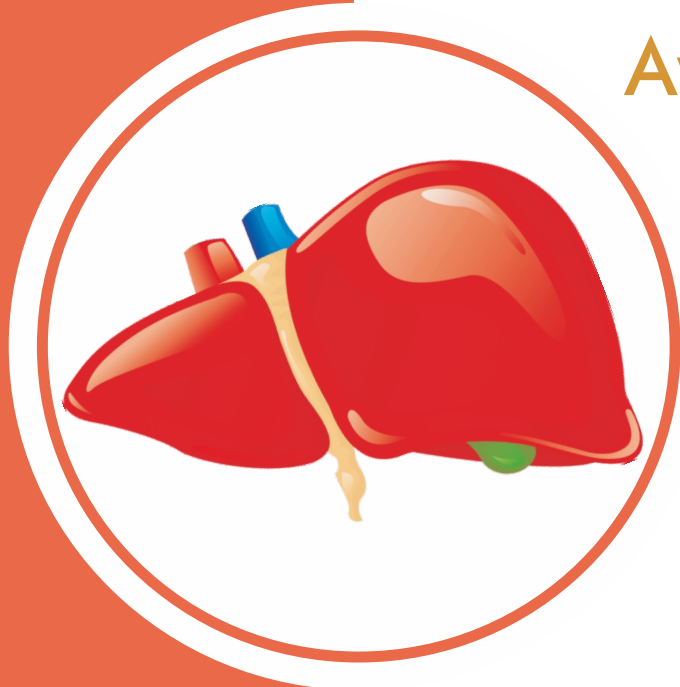

CONVALESCENCE / MENTAL STRESS & TENSION / DIABETES

An Ideal Formulation For Liver Disorder

An Ayurvedic Patent Medicine

Medcoliv-Plus^{Sugar Free} Tonic

Punarnava 300mg, Bhangra 300mg, Makoi 300mg,
Sarphonka 250 mg, Pippali 150 mg, Chitrak 300mg,
Amla 50mg, Kutki 50mg, Chirayata 50mg, Kalmegh 50mg,
Giloy 50mg, Kasni 150mg & Danti 150mg.

Ayurvedic Medicine Completely Safe

- **Medcoliv-Plus** diminishes the lipotropic activity in Chronic Alcoholism,
- Prevents fatty infiltration of the liver
- Pre-cirrhotic conditions
- It arrests the progress of the disease and Prevents further liver damage.

Women Tonic

Med-G-Cure

An Ayurvedic Patent Medicine

- ▶ Corrects Exhausting Abnormal Discharge
- ▶ Regulates Menstrual Rhythms
- ▶ Gently Overcomes Leucorrhoea
- ▶ Dcysmenorrhoea & Menorrhagia
- ▶ Gently Overcomes Pelvic Congestion & Menorrhagia
- ▶ Gently Overcomes Pelvic Congestion & Backache
- ▶ Corrects Anaemia
- ▶ Returns Womanly joy & Eagerness

**Uterine Tonic | Dub | Oligomenorrhea
Menstrual Disorders | Amenorrhea**

WELL BALACNCE....

FOR EVERYONE !

Medvit-12

LYCOPENE, PYRIDOXINE HCl, CYANOCOBALAMIN, FOLIC ACID,
NICOTINAMIDE, MANGANESE, COPPER, IODINE & ZINC SYRUP

*The Health Supplement that provides essential Vitamins,
Minerals & Antioxidants, oncedaily tablets Dose*

- Strengthenens the immune system
- Supports health vascular function and promotes the integrity of lipids to maintains heart health
- Neutralizes harmful free radicals
- Decreases oxidative stress & bone resorption in post menopausal woman

R_x

- DIABETES MELLITUS
- HYPERCHOLESTEROLAEMIA
- PREMATURE GRAYING OF HAIR
- PERIPHERAL NEUROPATHY
- PARKINSONISM
- OSTEOARTHRITIS
- GATARACT AND GLAUCOMA
- SENILE DEMENTIA
- FATIGUE
- AGE RELATED DISORDERS GENERAL DEBILITY

An Ayurvedic Patent Medicine

**Recharge the
Tired and Damaged Liver**

Choose

Sugar Free

MEDLIV

Liver Syrup With Silymarin

THE POWERFUL DUO LIVER PROTETOR

- ▶ Silymarin repairs damaged hepatocytes and restores normal function of liver¹
- ▶ Silymarin has hepatoprotective and reno-protective function²
- ▶ Silymarin stimulates ribosomal RNA synthesis promoting liver cell regeneration .

INDICATIONS

- Alcoholic fatty liver
- Toxic or Drug induced liver disease
- Liver cirrhosis
- Viral Hepatitis
- Jaundice

2. Journal of Microencapsulation : Early Online : Pg. 1-8 IBS: Irritable Bowel Syndrome

An Ayurvedic Patent Medicine

Replenish the Platelet count count *Naturally with.....*

M Plate *Sugar Free*

Platelet Booster Immunomodulator Anti-Oxidant

Increase Platelets by 76.5%, WBC 30.51%, RBC 9.08% in hydroxyurea induced thrombocytopenia

Increase Platelets count in cyclophosphamide induced thrombocytopenia

Prevent platelet destruction in the blood, Increase life of platelet in circulation

**Dengue | Malaria/Viral Fever | Chemotherapy |
Liver Cirrhosis/Hepatitis B | Alcoholism | ITP**

Digestion Made Easy

An Ayurvedic Patent Medicine

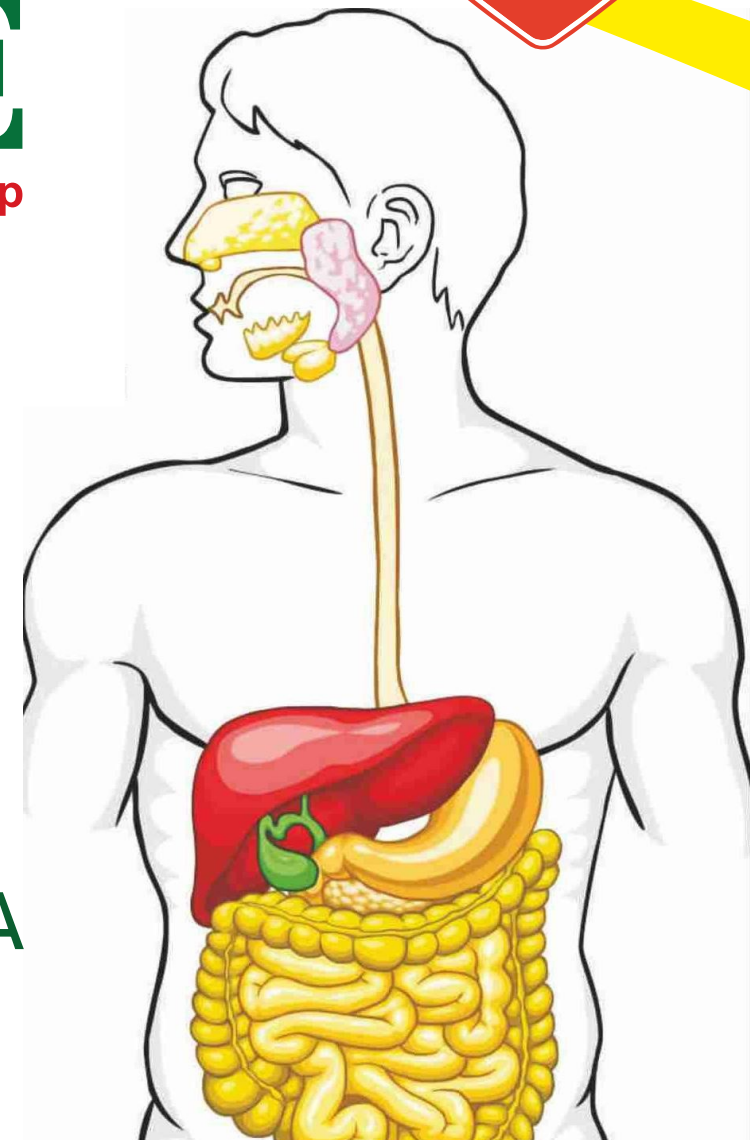

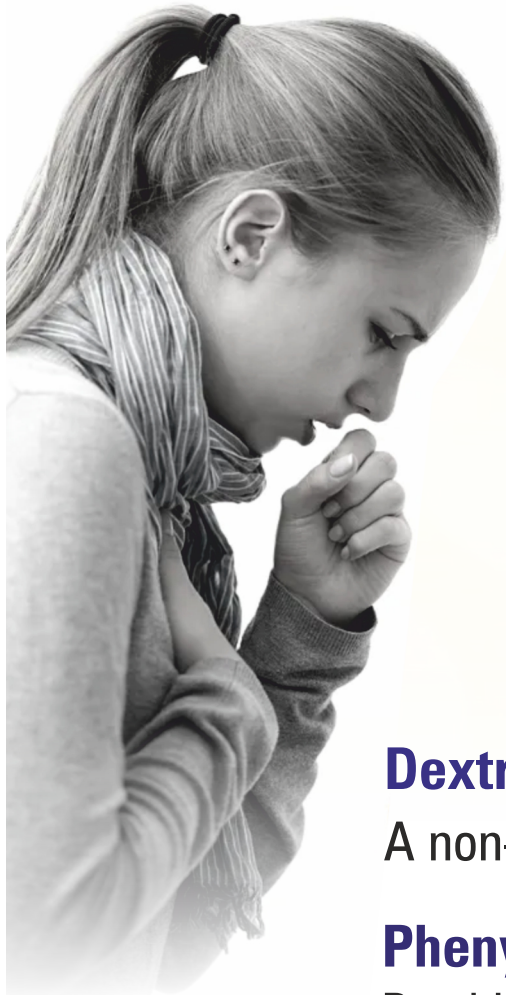

MEDCOZYME

Enzyme Syrup

- *An effective digestive aid stimulates appetite & improves health
- *Helps absorb food better
- *Provides energy and helps strengthen the digestive system
- *Helps support body's own digestive capabilities
- *Supports proper digestion, which is crucial for rebuilding and regenerating the body
- *Stimulates bile flow and gastric juices which play a clinical rule in cleansing, repairing and rebuilding the digestive organs
- *Helps body generate digestive heat

INDIGESTION | HEARTBURN | DYSPEPSIA
LOSS OF APPETITE | FLATULENCE

*Instant Relief from **Dry Cough** associated with **tuberculosis** and persistent cough*

Medico-Cough

Dextromethorphan Hydrobromide 10mg+Phenylephrine Hydrochloride 5mg+
Chlorpheniramine Maleate 2mg **SYRUP**

Dextromethorphan :

A non-narcotic antitussive having action lasting 6-8 hours Better safety profile than Codeine

Phenylephrine :

Provides prompt relief of nasal & sinus congestion Constricts the blood vessels in the nasal mucous membranes & allows the air passages to open up

Chlorpheniramine Maleate : Takes care of allergic congestion

Indication

✦ **Dry Irritating Cough** ✦ **Smokers Cough** ✦ **Allergic Sinusitis** ✦ **Allergic Cough**

The Common Cold
The penetrating
power that performs

MEDICO-COLD

Paracetamol 250 mg+Phenylephins HCl 5mg+CPM 2mg

SUSPENSION

Phenylephrine

- Provides prompt relief of nasal & sinus congestion
- Constricts the blood vessels in the nasal mucous membranes & allows the air passages to open up

Cetirizine

- Provides prompt relief of itchy watery eyes, runny nose, sneezing, itching

Paracetamol

- Reduces fever and pain associates with cold and cough.

Useful in : **Sinusitis | Allergic Cough | Common Cold**

Active Formula to Relieve from Cold

When Acidity becomes tough

Medtop-40

Pantoprazole Sodium 40mg

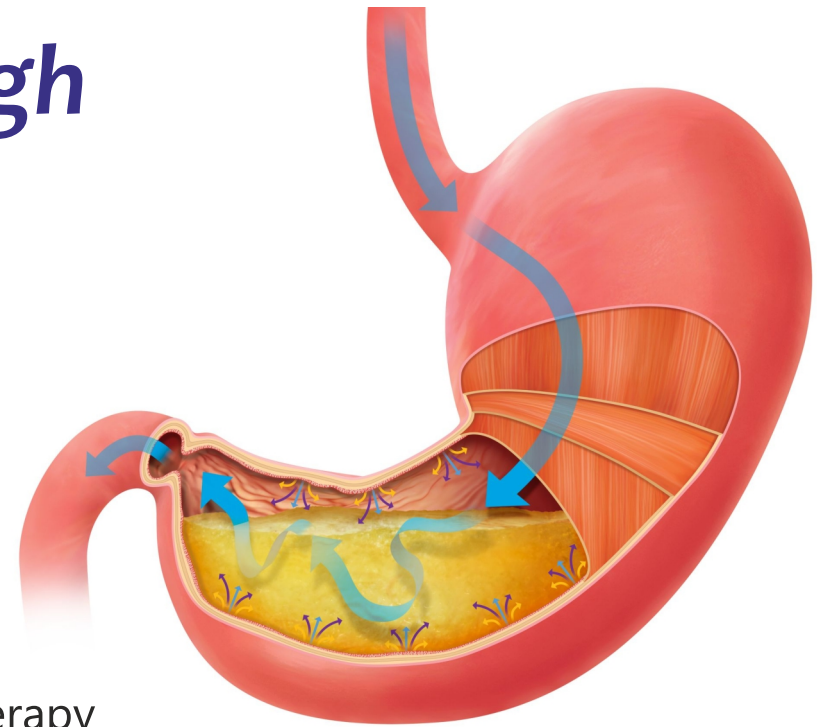

INJECTION

Faster relief of GERD symptoms

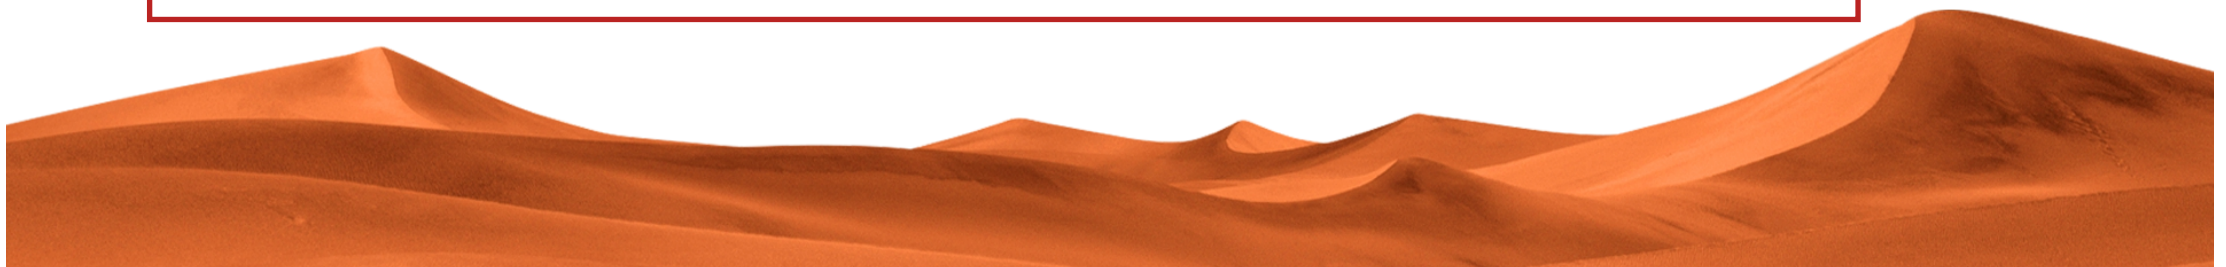

Relieves GERD symptoms within four days & heals the Oesophagus within 4-8 weeks of the initiation of the therapy

Offers unparallel benefits

Suppresses gastric acid secretions
Round the clock symptomatic relief

GERD | HIATUS HERNIA | Z.E. SYNDROME | ACUTE UGI BLEEDING
ACUTE HYPER ACIDITY SYNDROME

Treat for Target Infection

Medico-CEF

CEFIXIME 50 MG

Syrup

Broad spectrum antibiotic with activity against both gram positive & gram negative organisms.

Highly stable in the presence of beta-lactamase.

More active than co-trimoxazole against *Providencia stuartii*, *proteus vulgaris* & *Klebsiella* species.

Prime choice for switch therapy owing to its very good efficacy & safety profile.

Lower MIC than Other Cephalosporin

COMMUNITY ACQUIRED PNEUMONIA CHRONIC BRONCHITIS TYPHOID FEVER

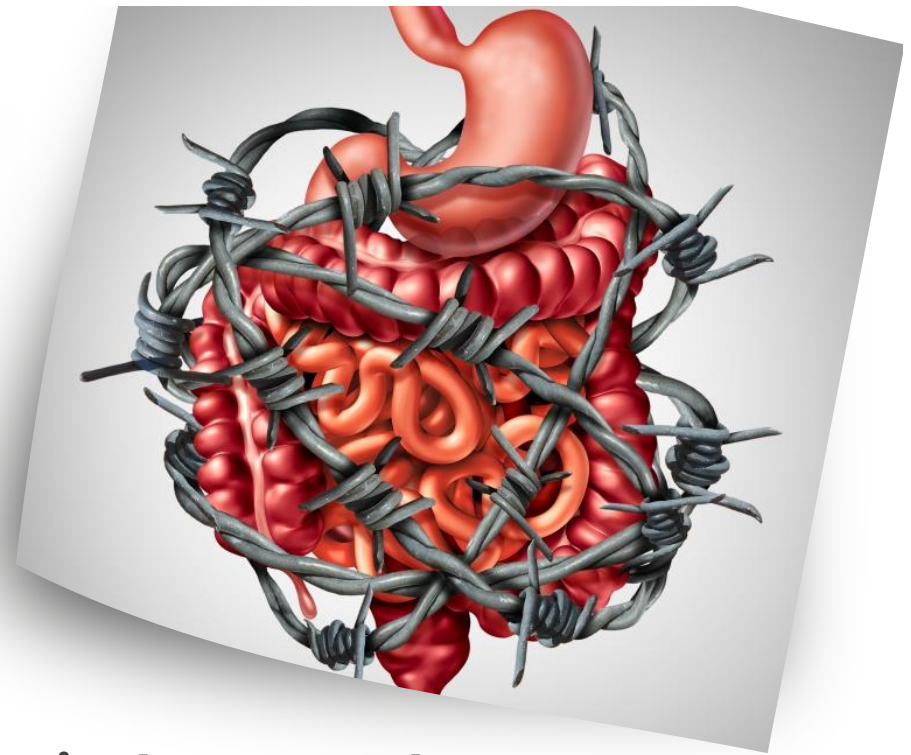

URINARY TRACT INFECTIONS

ACUTE OTITIS MEDIA

Balanced Antacid Preparation For Effective Management Of Hyperacidity

MEDICO-MPS

Dried Aluminium Hydroxide Gel 200mg Magnesium Hydroxide 200 Mg Simethicone 25 Mg **Suspension**

- Buffers gastric acid, raising the pH to reduce acidity in the stomach
- Brings faster relief & relieves heartburn
- Stays longer in the stomach providing longer relief
- Pleasant taste brings better patient compliance
- Retains normal colonic motility

Dyspepsia / Flatulence / Peptic ulcer

Post operative gas pain / Heartburn due to hiatus hernia

Higher Acid Neutralizing Capacity With Antiflatulent Activity

When the concern is for the **LITTLE ONES**, Paracetamol is not enough to control **PAIN & FEVER**

MEDFENAC

Paracetamol 250mg & Mefenamic Acid 100mg

Syrup

Perfect choice to Make Child Happy

Fast Onset of Action

- Paracetamol promptly controls fever about 10 minutes

Long Duration of Action

- Action of Mefenamic acid last for 8 hours

Hit the multiple infections with

MEDCO-AS $\frac{375}{1.5}$

Amoxicillin & Sulbactam Sodium

Tablets

AMOXYCILLIN

Broad spectrum antibiotic effective against both Gram (+ve) & selected Gram (-ve) pathogens

SULBACTAM

Inactivates enzymes that destroy penicillins & cephalosporins by lactamase resistant structure

- Highly active against both beta-lactamase producer and nonproducer strains such as

- Gram (+ve) cocci (Streptococcus pneumoniae, Streptococcus pyogenes, Staphylococcus aureus of nonhospital origin)
- Gram (-ve) cocci (Neisseria gonorrhoeae, Moraxella catarrhalis & other)

- Well tolerated in nonhospital infections.

➤ "In summary, the amoxicillin-sulbactam combination is effective and well tolerated in most infections of nonhospital origin in adults and children."
